

January 24, 2014

Friends:

I am pleased to announce additional camp and learning opportunities for your TNSM student this summer. These programs will be offered, in part, just like the after-school programs offered throughout the school year. Please note too, each program is different and has a specific schedule, costs, etc. Certainly, space is limited so sign up early.

Deadline for registration for these and our recurring Summer Program is March 7, 2014.

Please let me know if you have questions.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Groh".

Assistant Director

Summer Program Intensive

First Grade FUNdamentals with Stacy Armstrong

Using a systematic approach, students entering first grade will refine and practice handwriting skills and phonemic awareness through multisensory activities. Handwriting skills will include proper pencil grip, letter/number formation, size, and placement of the letter/numbers on the lines. Phonemic awareness will focus on letter sounds, short vowels, blending, and sight word (red word) recognition. Activities will be fun and students will be engaged in a variety of activities throughout the week.

Stacy was a teacher in the 6-9 program at TNSM for 13 years. Currently, she is a private tutor, specializing in reading, handwriting, and math. Stacy uses the Orton-Gillingham method for teaching reading and handwriting.

The Drummer's Groove with Baoku Moses

African drumming is one of oldest musical art forms that remains very relevant today. Baoku Moses is a world class and professionally trained African drummer and dancer from Nigeria. Apart from performing and teaching all over Cincinnati and beyond, Baoku has been teaching African Drumming Club at TNSM for over eight years.

The Summer Camp African Drumming Club will offer lots of African drumming activities like learning about different drums from Africa, the history behind them, how they are made and most importantly, style and technique of African drumming. The students will not only experience drumming hands on, but they will also learn about working together as a team and building confidence in their own ability.

Songs for Superheroes Camp

with April Eight

Children develop and hone their great imaginations and self-expression through music and writing at April Eight's "Songs for Superheroes!" Songwriting Camp. And all the while they're developing leadership and collaboration skills – we have to take turns and work together to write a great superhero song. We'll play with language and ideas as we explore what being a true superhero is all about. Experimentation with song-form, patterns and repetition, rhythm and rhyme and ways to connect imagery are all part of the process. And hey, can we add some clapping? It's pretty magical!

We will record our songs each session and email the MP3 out to your family. At the end of the session you'll have a fun CD's worth of your child's group-written Superhero Songs to share with family and friends.

Kids will need to pack a TNSM approved lunch daily.

Chess!

With Ceara Comstock

Come for a week of learning how the excellent game of chess works, play with others, and hone the skills you already may have. Chess is not only a dynamic enjoyable game you can play your whole life, the skills you develop will help you in all other areas of life, as well: learning how to strategize, teamwork, making decisions, and good sportsmanship.

We will supply the chessboards; you bring your determination and positive attitude. We will meet in the Annex.

Drawing

With Ceara Comstock

This week will focus on building and strengthening your drawing toolbox. We will practice techniques to help you create what your imagination creates, as well as what you see in front of you. Some skills we will demonstrate and practice are shading, perspective, plotting your images on a page, animals, and portraits. You will also have some free drawing time each day. If you are worried you can't draw well, don't! Anyone can draw! It just takes practice.

Materials will be provided, however, you're welcome to bring your favorite sketchpad, set of pencils, or pens, if you'd like.

Kids will need to pack a TNSM approved lunch daily.
