February 11, 2015

Friends:

I am pleased to announce additional camp and learning opportunities for your TNSM student this summer. These programs will be offered, in part, just like the after-school programs offered throughout the school year. Please note too, each program is different and has a specific schedule, costs, etc. Certainly, space is limited so sign up early.

Deadline for registration for these and our recurring Summer Camp is May 8, 2014.

Please let me know if you have questions.

Sincerely,

Jeff Groh
Assistant Director
