

Care of Classmates

- Miles was bigger then, but now we're the same size. It's good to make a new friend.

Will

Miles

- That's when I had my old friends. Now I'm 5 and I got new shoes, I still have that shirt. It's almost my first day going at this school. I didn't know Will before, but now he's my friend. I have a lot of friends. I'm happy.

Kaylee

It's Eliza and me! We were happy and we hadded so much fun. We readed books. We love each other. That feels good. She loves me, too.

Solomon

Fruit is good. Banana is a fruit I like. I like to make them for myself and for my friends. Sharing them with friends is nice. They smile. I do, too. After I cut it I put it on the tray and carry it around to friends. "Thank you, Sol," they say. Callan says, "Thank you," and Quinn does.
