

## Art Activities

**Art Teacher, Robin Hartmann, is sharing these references from a fellow art teacher Jessie Bayless**

**Play Pictionary against Google!**

<https://quickdraw.withgoogle.com/>

**Mo Willems is an illustrator who is doing daily lunch doodles live at noon each day.**

<https://www.kennedy-center.org/education/mo-willems/>

**Here is a link to make your own homemade clay with very few ingredients**

<https://www.highlightskids.com/activities/crafts/make-homemade-clay>

**Samples of YouTube directions on how to make various sculptures with clay.**

- **Dinosaur:** <https://www.youtube.com/watch?v=PNkwfzWqprU>
- **Peacock:** <https://www.youtube.com/watch?v=GOv0Tp6YXhE>
- **Octopus:** [https://www.youtube.com/watch?v=CnRPE6h\\_zcw](https://www.youtube.com/watch?v=CnRPE6h_zcw)
- **Elephant:** [https://www.youtube.com/watch?v=71hFvc\\_g7LI](https://www.youtube.com/watch?v=71hFvc_g7LI)

Advanced digital art making options: <https://sketch.io/sketchpad/>. Sketchpad is very cool!. Create your own digital art from scratch with this website. There are options for text, clip art, shapes, etc.

<https://trycolors.com/> This is a color mixing website and game. View the tutorial first and play around with the functions, then click the 3 bars in the top left corner and click "game" to play. This is harder than it looks!

<http://www.kidsthinkdesign.org/index.html> explores careers in the arts from graphic design to architecture to fashion design. Choose a career and explore the basics of each career, meet a designer, and even design a project.
